Nutrition Council of India

2nd NATIONAL CONGRESS ON NUTRITION & PUBLIC HEALTH

FEB 21-22 , 2026 GOVERNMENT DOON MEDICAL COLLEGE DEHRADUN, UK, INDIA

Theme: "Integrating Biochemistry, Medicine, and Nutrition: Bridging Molecular Insights to Health and Wellness"

About Nutrition Council of India

The Nutrition Council of India (NCI) is a pioneering organization dedicated to transforming the nation's approach to nutrition through an integrated, science-driven framework. Our mission is to establish a robust nutrition supply system that connects agriculture, food processing, healthcare, and public policy to ensure equitable access to safe and wholesome nutrition. We advocate for sustainable agricultural diversity, enhancing food processing standards to preserve nutritional value, and fostering community nutrition education to empower informed dietary choices.

Our commitment to research and development drives innovation in understanding the link between nutrition and health, while our advocacy for evidence-based policies supports integrating nutrition into healthcare systems. By fostering multi-sectoral collaborations, we aim to create a unified strategy for nutrition security, promoting a healthier and more nourished India. Through our comprehensive approach, NCI strives to make nutrition a fundamental human right and an essential component of public health and human development. About NCI Congress 2026

Welcome to NCICON 2026!

On behalf of the Organizing Committee of the Nutrition Council of India (NCI), we extend a warm invitation to you for the Second National Congress of Nutrition and Public Health. We aim to create a congenial, secure, and enriching environment conducive to exploring the vast spectrum of nutrition, from soil to physiology, and from agriculture to public health. This endeavor holds great promise, particularly when experts in physiology, biosciences, biochemistry, agricultural sciences, the food industry, pharmacy, veterinary sciences, and nutrition science converge on a unified platform to deliberate on the crucial topic of nutrition, which is paramount for overall health.

Our event serves as a nexus for participants from across the globe, fostering both the rekindling of old acquaintances and the forging of new connections. Engaging lectures by esteemed speakers will illuminate the forefront of various topics, particularly focusing on public health nutrition.

We look forward to your presence at this landmark event, where together, we shall endeavor to shape a healthier and more resilient world.

Nutrition Council of India

2nd NATIONAL CONGRESS ON NUTRITION & PUBLIC HEALTH

FEB 21-22, 2026 GOVERNMENT DOON MEDICAL COLLEGE DEHRADUN, UK, INDIA

Theme: "Integrating Biochemistry, Medicine, and Nutrition: Bridging Molecular Insights to Health and Wellness"

Discover Dehradun - Host City of NCICON 2026

Nestled in the lap of the majestic Himalayas, Dehradun, the capital of Uttarakhand, warmly welcomes you to the 1st National Congress on Nutrition and Public Health (NCICON 2026). A city rich in natural beauty, cultural heritage, and modern educational hubs, Dehradun serves as the perfect backdrop for thought-provoking discussions and knowledge exchange in the field of nutrition and public health.

Why Dehradun?

Dehradun's serene environment, coupled with its status as an educational and research hub, makes it an ideal location for NCICON 2026. As a gateway to the Himalayas, the city offers a harmonious blend of tranquility and academic excellence.

A City of Learning and Innovation: Dehradun is home to prestigious institutions like the Indian Military Academy (IMA), Forest Research Institute (FRI), Doon School, and Wadia Institute of Himalayan Geology. It fosters an atmosphere of intellectual curiosity and scientific exploration, perfectly aligned with the objectives of NCICON 2026.

Explore the Beauty of Dehradun

- Robber's Cave (Guchhupani): A mesmerizing natural cave with a flowing stream.
- Sahastradhara: Sulfur springs known for their therapeutic properties.
- Forest Research Institute (FRI): Majestic colonial architecture amidst sprawling greenery.
- Mindrolling Monastery: A serene Tibetan Buddhist center with magnificent murals.
- Tapkeshwar Temple: A revered cave temple dedicated to Lord Shiva.

Connect with Nature and Culture

Dehradun is not just about academia; it's a paradise for nature enthusiasts and spiritual seekers. Whether you explore its lush green landscapes or delve into its vibrant cultural ethos, Dehradun promises an unforgettable experience.

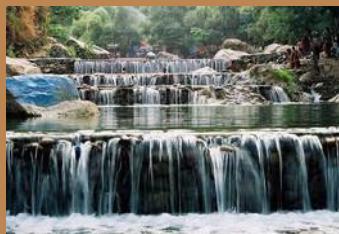

Getting to Dehradun

- By Air: Jolly Grant Airport, located 25 km from the city center.
- By Rail: Dehradun Railway Station, well-connected to major cities.
- By Road: Convenient bus and taxi services from Delhi and nearby cities.

Join us at NCICON 2026 and experience Dehradun's unique charm while engaging in groundbreaking conversations on nutrition and public health. Together, let's make a difference in the heart of the Himalayas!

Organizing Committee

CHIEF PATRON
Prof (Dr) Ajay Arya
Director General of
Medical Education,
Uttarakhand Government

CO-CHIEF PATRON
Prof (Dr) Ashutosh Sayana
Former Director General of Medical
Education and Principal, Government
Medical College,
Srinagar (Garhwal), UK

PATRON
Prof (Dr) Geeta Jain
Dean & Principal, Government
Doon Medical College,
Dehradun

PRESIDENT
Prof (Dr) Narsingh Verma
Retd. Head, Department of
Physiology, KGMU & Principal,
Hind Medical College, Lucknow

ORGANIZING CHAIRMAN
Prof (Dr) AN Sinha
Head, Department of
Physiology, Government Medical
College, Almora

ORGANIZING SECRETARY
Prof (Dr) Rajeev Singh Kushwaha
Head, Department of
Biochemistry, Government Doon
Medical College, Dehradun

CO-ORGANIZING CHAIRMAN
Prof (Dr) RS Bish
Department of Oto-rhinolaryngology, &
MS, Government Doon Medical College &
associated Doon Hospital

CO-ORGANIZING CHAIRMAN
Prof (Dr) Sushil Ohja
Professor, Dept of Ophthalmology,
Government Doon Medical College,
Dehradun

NATIONAL CONVENOR
Dr Kshitij Bhardwaj
Chairman, Nutrition Council of
India, Head, Department of Food
Science & Technology, IFNH

CO-ORGANIZING SECRETARY
Prof (Dr) Suman Pandey
Head, Department of
Biochemistry, Government
Medical College, Haridwar

CO-ORGANIZING SECRETARY
Dr Nandani
Department of Biochemistry,
Government Doon Medical
College, Dehradun

JOINT ORGANIZING SECRETARY
Prof (Dr) Anupama Arya
Head, Department of Community Medicine,
Government Doon Medical College,
Dehradun

JOINT ORGANIZING SECRETARY
Prof (Dr) Ashok Kumar
Department of Paediatrics,
Government Doon Medical
College, Dehradun

LOCAL CHAIR
Dr Nandan Bish
DMS, Government Doon Medical
College & associated Doon
Hospital, Dehradun

SCIENTIFIC ADVISOR
Prof (Dr) Shalil Malik
Director, Dr Giri Lal Gupta Institute of
Public Health & Public Affairs,
University of Lucknow, Lucknow

*Includes Congress Kit,Lunchs

Submit Your Research

We invite researchers, scholars, and professionals to submit abstracts for NCICON 2026, an exhibition showcasing groundbreaking and innovative research in Nutrition and Public Health. This event will highlight the latest advancements and discoveries that are set to revolutionize our understanding and approach to health and wellness.

Awards & Cash Prize

Awards for outstanding contributions in the field of Food, Nutrition & Public Health

- Padma Shri Prof. Kamlakar Tripathi Medal of Excellence in Public Health and Community Medicine
- Prof. Narsingh Verma Medal for Excellence in Clinical Nutrition and Healthcare
- NCI Excellence Award in Nutrition and Dietetics
- NCI Award for Excellence in Food Science and Innovation Award
- Harvest for Health Award for Transformative Agriculture and Nutrition Solutions

Mode of Application Online log on to www.nci.org.in to submit Abstract

Best UG & PG Oral / Poster Awards

1st prize - Medal + Award certificate + Rs 5,000
2nd prize - Medal+Award certificate + Rs 3000
3rd prize - Medal+ Award certificate + Rs 2000

Travel Awards

Travel Grants for Shortest Route 3 AC Train are Available for Young Researchers Under 35 years of age

Last date to Apply

5:00 PM 15 December 2025

Topics

- Nutrition and Disease Prevention
- Nutritional Epidemiology:
- Maternal and Child Nutrition,
- Nutrition Education and Promotion,
- Food Security and Nutrition
- Food Safety and Nutrition
- Nutrition Policies and Programs
- Dietary Supplements and Functional Foods
- Nutrition and Ageing
- Nutritional Challenges in Low-Income Settings:
- Innovations in Nutrition Research and Practice
- Clinical trials
- Public Health Policy and Management:
- Infectious Disease Control
- Environmental Health
- Health Equity and Social Determinants of Health
- Chronic Disease Prevention and Management
- Laboratory Medicine in Nutrition
- Immunology
- Mental Health and Well-being
- Health Promotion and Behavior Change
- Global Health Challenges
- Metabolic and Cardiovascular Disease
- Healthcare Systems and Access to Care
- Emergency Preparedness and Response
- Nutrition Sensitive Agriculture & Advances
